

IMPORTANT OWNER INFORMATION

Dear MedRx Instrumentation Owner:

In these economic times MedRx understands your need to receive excellent service at a reasonable price. Again this year, we have **not** raised our technical support cost to you.

We sincerely appreciate your trust and support and want to continue providing excellent technical phone support to you for the life of your investment. Our records show that your support contract is about to lapse or has already expired. Our annual phone support rate for **unlimited** Technical Phone Support is only \$120.00 per year (**only** \$10.00 per month!).

PLEASE NOTE: For customers wishing to pay on a "per-call basis", a base charge of \$80.00 will apply for each incident or event.

To be assured your systems remain protected, please FAX this renewal form to 727-584-9602. If paying by check, please FAX this form along with a copy of your check so that we may continue to provide uninterrupted support.

If you have any questions or concerns, please contact Rich Milroy at 888-392-1234.
